

Typos in Plischke and Bergerson, 2nd edition

p. 139, eq. 4.46: sign error ($1 - \exp(+\beta U(r))$)

p. 141, eq. 4.48: last term: $-\ln[g(r)]$

p. 147, line after eq. 4.70: Γ should be inside the square root

p. 149, line between eqs. 4.73 and 4.74: enclose $2\pi/L$ in parentheses

p. 155, eq. 4.91, line 1: sign error, should be $\dots - \rho + \rho_0$

p. 156: eq. 4.97: last term is $k_B T \ln \rho$

p. 197, line 1: introducing

Section 5.3.3, notational gripe: The block size should not be L (which is used later for the macroscopic system size), but rather lower case script l or somesuch.
