

## National Science Foundation / Alfred P. Sloan Foundation Study Wants to Hear from Students in This Course

- Talking About Leaving Revisited (TALR): Study aims to understand students' motivations & experiences in courses required for a degree in science, technology, engineering, and math
- Findings will be used to influence nation-wide efforts to improve the education of future scientists, engineers, and computer scientists
- Receive \$20 cash for participating in a 60-90 minute focus group interview. Email invitation forwarded from instructor with the subject heading "Volunteer your experiences for a national study, receive \$20"
- Look for end of semester survey: Student Assessment of their Learning Gains (SALG)
