

Physics 410 Syllabus

- **Instructor**

Zackaria Chacko
zchacko@umd.edu
PHY 4125
(301) 405 1774

- **Class meeting time:**

Tuesday and Thursday, 9:00-10:50AM
PHY 1402

- **Grading Criteria:**

10% Homework
40% Midterm
50% Final

Homework will be typically assigned on a weekly basis, since solving problems is essential to mastery of the material. You are expected to turn it in on time. The midterm and final exam will provide the remainder of your semester grade.

- **Textbook:**

Classical Mechanics, by John R. Taylor (University Science Books)

- **Syllabus:**

I expect to cover chapters 1 through 15 of the textbook, but leaving out chapter 12.

- **Attendance**

Attendance in lectures is strongly encouraged, but will not count towards the course grade.

- **Office Hours**

Monday 4-5 or by appointment.

- **Feedback**

If you have concerns about your understanding of the material, or have comments, suggestions, or critiques on the course in general, please let me be among the first to know.
