

Incoming survey for Phys752 (Spring 2021 semester)

(1). Name:

(2). Email address:

(3). Which year at the University of Maryland:

(4). Research Interest:

(i). theory or experiment;

(ii). particle or nuclear or gravity or particle-astrophysics (e.g., dark matter detection, cosmic rays)

(5). Course background:

(a). Phys624 (Advanced QM/Introductory QFT) or equivalent: Yes (specify which semester) or No

(b). Advanced undergraduate-level particle physics (equivalent to Phys441 at UMD: see sample syllabus [here](#)): Yes or No

(c). Phys851 (Advanced QFT): Yes (specify which semester) or No or Taking concurrently
