Chairman's Award

The Chairman's Award is given in recognition of staff members who have provided benefit to the Department of Physics or a specific unit therein beyond that required by their regular duties, promotes positive professional and personal exchanges among fellow associates, is an effective worker with departmental members and/or outside contacts.

Sibylle Sampson Award

The Sibylle Sampson Award is given in recognition of an individual's one-time accomplishment for the benefit of the Department of Physics or a specific unit therein which often is taken for granted and therefore goes unrecognized.

Closing Remarks - Dr. Drew Baden
